Getting Back to Business

My family and I have owned and operated Kids Turf Academy for over 18 years, providing child care for children from infancy through 12 years of age. We know your children are priceless and deserve the best of care. That's why I am happy to say that for many of those years, ManagedPAY has been handling our payroll, human resources, and group health insurance—freeing me to concentrate on running my business. I would tell any business owner to do the same and let ManagedPAY handle your employee needs and you will not regret it. You will receive a lot more than your money's worth.
